LETTER OF REFERENCE

Wytwórnia Podkładów Strunobetonowych S.A. herewith confirms that Ninive Casseforme has delivered over 200 moulds for production of railway and tram sleepers with the SB3 fastening from 2008 till 2013.

I recommend Ninive Casseforme as a solid and reliable company that delivers high quality moulds for production of sleepers. Its experience and technical potential guarantees professional produce of moulds starting from the prototype of the sleeper until its full production.

Ninive Casseforme is highly recommended at the investment task execution.
